

## 2019 Summer Academy

Soccer Touch Academy is now gearing up for its 2019 Summer Program. We have adopted the birth year format for all of our programs and will be implementing it this summer! We know that summer is the time for family vacations so hopefully having a few different options will allow you all to still participate!

If you are a serious player looking to take your game to the next level, we would appreciate to opportunity to work with you! We have had several players come through our programs over the years and they keep coming back for more! Are you ready to take the STA challenge? If so we will see you this summer!

Soccer Touch Academy has recruited several great coaches to help with our training this summer. We have changed the format of our program this summer and will be offering a 4 day all inclusive program.

We would encourage everyone to sign up ASAP! Thank you very much for your continued support and hope to see you guys this summer!!
